

Forage Systems and Fertilizer Strategies

Friday, April 25, 2014

Texas A&M AgriLife Research and Extension Center
1710 N. Hwy 3053, Overton, TX 75684

Want to know how to get the most out of your fertilizer dollar? Have you seen fertilizer products that sound too good to be true? Are you curious how to use the USDA web soil survey to learn more about your property?

During this day-long program Dr. Vanessa Corriher-Olson and Dr. Jason Banta will answer these questions and many more. Topics that will be covered include:

- Soil Testing and Plant Nutrients
- Forage Species and Establishment
- Designing a Forage System for your Cow-Calf or Stocker Operation
- Introduction to the USDA Web Soil Survey: Making it Work for You
- How to Get the Most Out of Your Fertilizer Dollar
- The Good, The Bad, and The Ugly: Alternative Fertilizers

Preregister by April 18, 2014: Cost: \$60/ person
