

# East Texas Pasture Management Program

Friday, February 17, 2017

Texas A&M AgriLife Research and Extension Center  
1710 N. Hwy 3053, Overton, TX 75684

A herbicide price comparison CD, updated for 2017, will be provided to help you make more economical choices when it comes to selecting a herbicide. **During this half a day program Drs. Vanessa Corriher-Olson, Jason Banta, Mark Matocha and Mr. Chad Cummings will cover the following topics:**

- Effective weed control with weed identification, proper timing and herbicide selection
- Does storage of pesticides impact efficacy?
- How to properly dispose of empty containers and old pesticides
- Using herbicides under trees: Is it possible?
- Save money by understanding active ingredients, residual control and herbicide cost

**Preregister by Feb. 15, 2017: Cost: \$25/ person**  
**On-Site Registration Cost: \$35/person**

(Includes 2017 Herbicide Price Comparison CD)
